

Compatibility with GoPro® “HERO6 Black”

INON INC. is pleased to announce that existing 「SD Front Mask for HERO5」 is confirmed compatible with 「HERO6 BLACK」 in combination with its genuine housing 「Super Suit」 as well to attach quality INON attachment lenses designed for action cameras and adds arm system .

- 「SD Front Mask for HERO5/6」
--Same as 「SD Front Mask for HERO5」
Product name/JAN Code will be updated on October 16th, 2017 shipment and after.
--JAN Code: 456212143 850 7

Left: 「SD Front Mask for HERO5/6」 installed on 「HERO6 BLACK」
Right: 「SD Front Mask for HERO5/6」

Since「HERO6 BLACK」 is identical with 「HERO5 BLACK」 in terms of camera's master lens, combined specification using INON attachment lenses (angle of view and depth of field) is same when using them for 「HERO5 BLACK」.

Left: 「UFL-G140 SD」 installed on the 「SD Front Mask for HERO5/6」
Right: 「UCL-G165 SD」 installed on the 「SD Front Mask for HERO5/6」
