--Release date: January 30th, 2021
--JAN Code: 456212143 995 5

Ball Adapter for GoPro

--Release date: January 30th, 2021

--JAN Code: 456212143 997 9

An adapter to link GoPro housing on a ball-joint of INON Carbon Telescopic Arm/Stick Arm to create a selfie, follow camera system. With the *Ball Adapter for GoPro*, compatible INON arms evolve to useful item for different applications. The adapter is equipped with a strap eyelet to attach a lanyard. The thumbscrew uses large wing knob making it easier to securely fix the angle of attached GoPro® camera not to let it lean while swimming or being in current. The adapter is designed for underwater use for superior durability and corrosion resistant characteristic.

[Compatible arms]

• Carbon Telescopic Arm SS, S, M, L

• Stick Arm XS-T, SS-T, S-T, M-T*

*Non-T version of *Stick Arms* (previous model of *Stick Arms* and *Stick Arm L*) are not compatible.

*SD Selfie Set S for HERO9**

*SD Selfie Set consists of SD Front Mask, Carbon Telescopic Arm and Ball Adapter for GoPro
