

# DIVE & SEEK

THE WONDERS OF THE PHILIPPINES

## What is the *Dive & Seek* Campaign?

Philippine Airlines, Asia's first airline and the country's flag carrier, operates an extensive route network spanning across Asia, Australia, Oceania, the Middle East, Europe and North America. We fly to over 45 international destinations and 33 domestic destinations.

Last August, we launched our *Dive & Seek* Campaign, a campaign that aims to educate, entice and encourage divers from around the world to make the Philippines as their next dive destination.
